In order to meet the wants of a larger class of Students, six regular Courses of Study are provided, namely: The Normal English, Belles Lettres, Science and Literature, Classical, Art, and Music. Students may adopt any of these Courses exclusively, or may select such studies from them as they desire, subject to the approval of the Faculty.

The Normal English is designed to meet the increasing demand for teachers in our Common Schools, and is heartily commended to young ladies and gentlemen who desire thorough instruction and drill in the English branches. To those who complete this Course a Diploma, expressing the scholarship attained, will be given.

The Belles Lettres Course is specially arranged to accommodate young ladies who may wish to omit the Higher Mathematics beyond Elementary Algebra and Geometry. It thus affords opportunity to connect studies in Music and Art with a well-selected course in Literature and Science.

The Course in Science and Literature is intended to give wider culture and more thorough mental discipline. It differs from the Classical Course mainly in that it omits the Greek Language entirely, and makes Latin elective with German or French during the first two years. Before entering upon this Course, the Student must be thoroughly acquainted with the Common English branches.

The Classical Course is much more extensive than is ordinarily pursued at Seminaries. It will compare favorably with the curriculum adopted by our best institutions of learning. We offer it with entire confidence to young men who are preparing for professional life, and also to young ladies who aspire to superior intellectual culture. The preparation for this Course is a thorough knowledge of the studies embraced in the Preparatory Course.

Young men desiring to enter the lower or higher classes in College are allowed to take such studies as they need for that purpose.

NORMAL MUSIC COURSE.

The growing love of Music has largely increased the demand for competent music teachers. To meet this demand this Course is established. We present it with entire confidence to those who desire to become skilled in their profession, but who have not had opportunity for Normal training.

The Institution is amply supplied with first-class instruments, comprising Grand, Upright and Square Pianos, with convenient access to a large and superior Pipe Organ.

The Course will extend through one year, upon completing which the Student will be entitled to a Diploma, with the Degree of Bachelor of Music.

Admission to the Normal Class will be by Diploma, or upon examination in the studies comprised in our regular "Course in Music," or their equivalents.

Among the special advantages offered may be mentioned: (1) Careful instruction by a thoroughly educated German Professor of acknowledged ability and wide experience; (2) Daily opportunity to hear how the different branches of Music are taught; (3) Practical work in teaching under the personal direction of a superior instructor; (4) Rare facilities for cultivating a correct taste in Music, in concerts given from time to time, and in weekly public entertainments, partly musical, in the Seminary Chapel; (5) Connection with a long established and widely known Literary Institution, which will cheerfully aid in securing for its pupils positions as teachers.

GENERAL INFORMATION.

WILLIAMSPORT DICKINSON SEMINARY

Is an institution of high grade, with ample facilities for giving young ladies and gentlemen a superior education. It is organized upon the plans which have been approved by long experience, and adopted by the best schools in this country, embracing all modern appliances in means and methods of instruction. It was founded in 1848, and is regularly chartered by the Legislature of the State of Pennsylvania, and authorized to confer degrees upon those who complete the prescribed Courses of Study.

The Seminary is under the patronage of the Central Pennsylvania Conference, being owned and practically managed by the Preachers' Aid Society. As this investment was rather to promote the important work of Higher Christian Education than to make money, the paramount purpose is to combine thorough instruction and careful moral training with the comforts of a good home, at the lowest possible rates.

LOCATION.

Williamsport is one of the most beautiful and healthy places in the State. It has never been subject to epidemics of any kind. Many coming to the school in poor health have returned fully restored. The city is situated on the West Branch of the Susquehanna River, has a population of twenty thousand, is widely known for its intelligence, its enterprise, the taste displayed in the character of its public buildings and private residences, and the moral appliances with which it is furnished. In small towns and villages the facilities for culture, intellectual as well as æsthetic and moral, are generally limited, rarely reaching beyond the institution itself, and hence student life must become monotonous, lacking the inspiration which a larger place with wider opportunities affords. Twenty-seven churches,

an active temperance organization, and a branch of the Young Men's Christian Association, embracing many of the most earnest christians in the community, with a large library free to all, and accessible at all times, indicate some of the religious influences brought to bear upon the young in Williamsport.

BUILDINGS.

The buildings occupy an eminence overlooking the city, and are surrounded by beautiful shade trees, while the grounds contain five acres, affording ample room for exercise and play. They are brick, heated by furnaces in the cellar, and supplied throughout with pure mountain water.

Both departments are furnished with bath-rooms and all modern appliances for comfort, and in the entire arrangement of the buildings great care has been taken for the convenience and health of the occupants.

The ladies' apartments are entirely separate from the others, *and there is no association of the sexes but in the presence of their instructors.* The happy influence, *mutually exerted*, in their slight association in the recitation room, at the table, and in the public exercises of the chapel, is to be seen in the cultivation of a cheerful and animated disposition, in the formation of good habits and manners, in ardent devotion to study, and in the attainment of high moral character. These, with many other valuable results, have established the fact that the best plan for a school is, according to the evident design of Providence in the constitution of society, on the basis of a well-regulated christian family. *The members of the Faculty live in the building, eat at the same tables, and have constant oversight of all the Students.*

ROOMS AND FURNITURE.

The rooms are larger than in most boarding schools, the ladies' being 16x13 feet, and the gentlemen's 20x9½ feet. They are furnished with all heavy articles, *and if desired*, any room will be entirely furnished; but Students may bring their own sheets, (for double beds,) pillows, pillow-cases, blankets, counterpanes, mirrors and lamps, and thus lessen the expense.

EXPENSES.

Total cost, with room furnished as above:

In Classical and Scientific Course, per year.....	\$203 33
In Classical and Scientific Course, per term of 12 weeks....	61 60
In Common English Course, per year.....	193 33
In Common English Course, per term of 12 weeks.....	58 60

When rooms are entirely furnished, \$20 will be added per year, or \$8 per term. This includes all charges for furnished rooms, carpet, board, washing (12 pieces per week), fuel, and tuition in Latin, Greek, Mathematics, Sciences, English, Book-Keeping and Penmanship. THERE ARE NO EXTRAS WHATSOEVER, except for Ornamental Branches and Modern Languages, the charges for which are specifically stated elsewhere.

We desire to emphasize this statement, because some schools, whose advertised rates are higher than ours, increase the expenses still more by numerous "extras."

☞ We ask those who are seeking education for themselves, and parents who contemplate sending their children to a boarding school, to carefully note the fact that we furnish everything embraced in a thoroughly equipped school, with all the comforts of a good home, including a large, airy, and completely furnished room, in a beautiful and healthy location, at the low rate of \$223.33 per year, in courses of study which prepare the student for business, for professional life, or for the lower or higher classes in college; or, if they prefer to furnish their own rooms with bed-clothes, mirrors, lamp and carpet, for \$203.33 in Classical Studies, and \$193.33 in Common English.

PAYMENTS.

Term bills payable in advance, one-half at opening and the balance at the middle of the term.

Students attending a part of a term will be charged at the rate of \$4 per week for board, washing and room.

When Students are called away by sickness or providential necessity, moneys advanced will be returned. Students dismissed or leaving without the approval of the President *may* be charged for the full term.

Deduction for absence is made on recommendation of the President to the Treasurer. No reduction for board or tuition for absence of ten days or less at the beginning, or the last three weeks before the close of the term.

Five dollars must be deposited with the Treasurer on entering, to cover damages that the Student may do to room or other property. This will be returned when the Student leaves, in case no injury has been done. Any Student rooming alone will be charged \$3 extra per term.

Day scholars will be charged from \$6.00 to \$12.50 per term of twelve weeks, according to the studies they pursue.

TERMS AND VACATIONS.

The Seminary year is divided into three terms, as follows:

FALL TERM—16 Weeks. Begins Monday, August 30th, 1880. Ends December 20th. Vacation, 2 Weeks.

WINTER TERM—12 Weeks. Begins Monday, January 3d, 1881. Ends March 28th. No Vacation.

SPRING TERM—12 Weeks. Begins Monday, March 28th, 1881. Ends June 16th. Vacation, 10 Weeks.

ADMISSION.

Pupils of good moral character will be received at any time, for a single term or longer period.

Must arrange bills with the Treasurer before attending recitations.

Must take at least four studies, unless excused by the Faculty.

Must register name and church, and agree to comply with all rules and regulations of the School.

Each Student will be considered a member of the Institution until due notice shall have been given of intention to leave, and permission obtained of the President.

BOARDING.

This department is under the general direction of the President, but an experienced Steward and a thoroughly competent Matron have immediate charge. The department commends

itself by cleanliness, abundance of supply, excellence of quality, good cooking, and adaptation to health.

DISCIPLINE.

The discipline is firm, but mild and impartial. While every encouragement will be given to the orderly and studious, and due allowance be made for youthful indiscretion, yet the lawless and refractory cannot long remain among us.

APPARATUS.

The Seminary is furnished with a collection of apparatus, together with full sets of Globes, Maps and Charts, a Cabinet of Minerals, and a large supply of Chemical and Laboratory Utensils, thus affording facility for illustration and experiment.

MERIT AND DEMERIT.

A daily record is kept of all the exercises of the School, from which record the Students will be graded. A record of demerits is also kept. Tardiness, unexcused absences from required exercises, and all disorderly conduct, will subject the Student to demerit marks. Ten such marks bring a private reproof before the Faculty; twenty a public reprimand before the whole School, and thirty may send the offender away. Sessional reports are sent to parents.

RELIGIOUS SERVICES.

Every Student is required to attend religious services in the chapel daily, as well as public worship morning and evening every Sabbath, *at such place as parents or guardians may designate*, the President assenting.

N. B.—Each Student must be supplied with a Bible, to be read, *without note or sectarian comment*, in the services of the chapel. The whole School read in concert.

A general experience meeting is held every Sabbath at half-past eight A. M., and generally a service of song at six P. M., continuing one hour. Also, prayer-meeting for the gentlemen and ladies, separately, on Thursday evenings. Attendance upon these social services is optional with the Students.

LITERARY EXERCISES.

Exercises in Spelling, Etymology, Reading, Declamation and Original Composition are required of all the Students throughout the year. In addition to these, public exercises are held in the Seminary chapel every Friday evening, at which the more advanced Students read essays or deliver original speeches, interspersed with vocal or instrumental music, furnished by the Music Department.

LITERARY SOCIETIES.

There are three flourishing Literary Societies connected with the Seminary—the Belles Lettres, the Gamma Epsilon, and the Tripartite Union. The first two are in the gentlemen's, and the last in the ladies' department. Each has a well furnished hall, and a judiciously selected library, aggregating more than two thousand volumes. Each prepares and reads a paper in the chapel once in three weeks, in connection with other literary exercises, thus furnishing inspiration to intellectual culture, as well as entertainment for the Students and the public.

INSTRUCTION.

Our methods are modern, and adapted to the need of the Students. No pains are spared to give thorough, practical and scholarly training in all the departments by teachers of superior attainments and experience. Besides instruction in connection with the text book, lectures illustrated by experiments are given from time to time.

OUTFIT.

Every Student should be supplied with warm and durable clothing, heavy boots and shoes, an umbrella, and a pair of slippers to be worn in the room. All articles should be plainly marked with the full name of the owner. We suggest that each Student bring napkins and napkin ring, though this is optional.

A WORD TO PARENTS.

1. Try to have your children here on the first day of the term, *but not before*, as we will not be ready to receive them.

The classes are formed on the second day, and it will be better for all concerned that the Student start regularly with his class.

2. If possible, do not call them away during the session. Absence, if only for a few days, disarranges the class, and is generally the beginning of irregularity on the part of the scholar.

3. Do not allow your children to leave the School before the examinations, unless it cannot be avoided. Serious inconvenience to all concerned often arises from a neglect of this caution.

4. Supply them *very sparingly* with spending money. Parents cannot be too cautious on this point.

5. Select for your child one of the Instructors as a patron, to distribute his funds. In this way a more judicious use of your money will be made, and your child will be kept from many temptations.

Students not boarding in the Institution must observe the following rules:

1. Attend daily prayers.
2. Must attend all the Seminary exercises punctually.
3. Must spend the intervals between recitations in the Study Hall.
4. Must account for all absence by written excuse without delay, time and number of recitations being specified.
5. Must not visit the rooms of boarders without permission.

MEANS OF ACCESS.

The Philadelphia and Erie, the Northern Central and the Philadelphia and Reading Railroads pass through the city, so that Williamsport is readily accessible from all quarters.

By special arrangements all our Students procure tickets at excursion rates over the Pennsylvania, the Philadelphia and Erie, the Northern Central and the Philadelphia and Reading Railroads and their Branches, both going to and returning from their homes, thus materially reducing the expenses of travel.

We call the special attention of parents and those seeking education to this fact, and at the same time gratefully recognize the liberality of these railroad companies in dealing with our Institution.

GRADUATES AND FORMER STUDENTS.

It may be safely estimated that from eight to ten thousand persons have received academic instruction, covering from one to three years, in Williamsport Dickinson Seminary, while two hundred and fifty-five have completed the prescribed curriculum, graduating with the degrees the Institution confers. We desire to bring all these into active sympathy and co-operation with their *Alma Mater*, and hence we ask all persons to whom this notice may come, who have been Students here, to send us their address, with any information concerning their personal history that may be of general interest, as we wish to compile a complete catalogue of all the Students now living.

There is a general meeting of the Alumni every year, the day before Commencement. We extend a most cordial invitation to all old Students to attend the meeting this year, which will be held June 16th, afternoon and evening. If you cannot come, let us hear from you by letter.

And now, may I not ask you to aid in enlarging the sphere and increasing the power of our *Alma Mater*? You can do much in many ways, but you can at least direct those looking for a good Boarding School to ours, or send me their address on a postal card. Carry the Seminary in your heart. She is doing a worthy work, and earnestly asks her sons and daughters to help her.

PRIZES.

The following Prizes will be awarded during the year:

The President's Prize—the gift of the President to that member of the Senior or Junior Class who shall excel in writing and delivering an Oration.

The Faculty Prize—the gift of the Faculty to the Student (not a member of the Senior or Junior Class) who shall excel in Declamation.

The Voelkner Prize—the gift of Professor Voelkner to the Student who shall be awarded the first prize in Instrumental Music.
